

**TOUCH CLERK GROUP PERMISSIONS  
EFTPOS TOOLS**

**PERMISSIONS WITH OPTION SELECTED**

**OPTIONS**

**EFTPOS TOOLS**

A control on whether any EFTPOS Tools listed below can be accessed by the Clerk Group.

**Allow Override CDC Restricted Items**

Allows Clerks to manually override sales of restricted items to Cashless Debit Cards (Aus Government scheme).

**EFTPOS Cancel Pending Transaction**

Allows Clerks to cancel an EFT transaction which is currently in a pending state on a POS Terminal (for EFT integrations that support it).

**EFTPOS Get Last Receipt**

Allows Clerks to obtain the EFT Customer Copy of the last transaction that was performed on a POS Terminal (for EFT integrations that support it).

**EFTPOS Perform Logon**

Allows Clerks to perform a bank logon to ensure their integrated EFT terminal is connecting to the bank successfully (for EFT integrations that support it).

**EFTPOS Perform Settlement Cutover**

Allows Clerks to perform a EFT settlement (for EFT integrations that support it).

**EFTPOS Perform Settlement Enquiry**

Allows Clerks to perform a EFT settlement enquiry to see what the figures would be if they were to settle the integrated EFT terminal (for EFT integrations that support it).

**EFTPOS Show UI**

Allows Clerks to open the EFT user interface to obtain access to additional function that the EFT integration may support (for EFT integrations that support it).
